# Add a Pic or Link to Text!

1. Use the URL shortener to upload a long link or image under **500K**. Title, upload, copy to message. **Short URL shows so mention to click on it in your text!**

long link:

image:

2. Make sure the link is first, no other links, and all contained in **one,** 160 character message.

Campaign Builder

① CAMPAIGN ── ② MESSAGE ── ③ DESTINATION ── ④ LAUNCH & EXPIRATION

You can enter a long message and the system will split it into multiple SMS messages if needed. This may result in a higher count of MTs sent.
If you add a URL to this message, Please make sure that it is contained in-full, in one SMS message (Check the preview on the right side).

Message:
156/160 chars.
(1 msg.)
